**C&L WARD PLAYS SANTA BY DONATING A FREE ROOF FOR FLINT HOMEOWNER IN NEED**  
*Roof to be installed just in time for Christmas*

**December 3, 2015 (Davison, MI)** – In an effort to play Santa Claus this holiday season, C&L Ward has chosen a recipient through their annual “Shingles for Shelter” contest for a brand new roof. The contest ran from November 15-30 on their website and the awardee was chosen on circumstance, merit and condition of the roof. C&L Ward received over 40 entries of very deserving homeowners. **Kristopher Shiel of Oakley Street in Flint** was ultimately chosen and will be the beneficiary of the gifted roof.

Mr. Sheil was nominated by his family members Amanda and Brooke Nau. In their nomination, they wrote, *“The homeowner was once paralyzed and lost his job and future possibilities of work due to constant pain. His fiancé has cerebral palsy and he struggles to help her plus their two autistic children make it through day to day activities along with multiple appointments and therapy sessions throughout the week. The roof is leaking into the house and pouring through the lowest levels ceiling and has become a disaster. When it rains, the water comes through onto their bed and through other holes throughout the house. They have tried many avenues of assistance but have been unsuccessful because he is currently unemployed and is not married. Having a new roof would greatly help them by taking the worry from a horrible roof and let him focus on his family and helping them along with helping himself get better as well.”* When contacted about being the chosen recipient, Amanda replied *“ This is the biggest blessing ever! I am in complete disbelief! He is going to be so happy!”*

This is the second year that C&L Ward has been able to play Santa to a homeowner in extreme need. Carlos Fordham of Flint was the recipient of the roof for his mother in 2014.

“We recognized that there are many homeowners, like Mr. Shiel, right in our own backyard who are struggling to make ends meet. Replacing a roof is the last thing they need to be burdened with, especially around the holidays.” stated Patrick Ward, President of C & L Ward. “We received many touching stories for many deserving homeowners but felt Mr. Shiel’s circumstances were what this contest was all about. We’ve see a lot of failing roofs in our years in business but nothing is more heartbreaking when you see someone who is genuinely trying their best to do all of the right things and still can’t afford to take care of something that is crucial to their own shelter and safety. This community has been very kind to us and we are in the position where can pay it forward to someone who isn’t able to make the

necessary improvements to their home to keep themselves and/or their family safe.” He continues, “We look forward to working with Kristopher and making life a little better for him.”

Project coordination for the new roof is currently underway and the installation of the roof will begin soon (weather permitting). Another press release will be sent when the installation start date is set for those wanting photo and interview opportunities. ABC supply Co. Inc. has partnered with C&L Ward and will donate all of the shingles for the new roof.

*C&L Ward hosts several community goodwill programs throughout the year, such as Shingles for Shelter, Stuff the Truck and a “Likes for Dollars” campaign through their Facebook page ([www.facebook.com/clwardbros](http://www.facebook.com/clwardbros)) that benefits organizations in Genesee County, the Great Lakes Bay Region, Metro Detroit and Greater Lansing. They also give away a \$10,000 Home Makeover annually for those who register at an event or online.*
